IGNITE THE »»»»» ACTION

Built for riders who crave the exhilaration of high-octane experiences whether it's in life or on the road. Thriving on speed, you make time in your routine for the daily rush of adrenaline, you strive to transcend your own limits and ace your personal time for every ride. Make the most of your mundane daily rides into action-packed adventures with the Aprilia SR

SIGNAL TO SIGNAL DOMINATION

With the SR, go from 0-60 Kmph in under 7.5 seconds from one signal to another. The closest emotion to describe this feeling is like you have risen above the city streets. As the pace of the ride makes the sidelines blurry, and the harmonious sound of the engine's roar drowns the street noise, you have ignited the action.*

The image features a dramatic mountain landscape with a dense forest in the foreground and misty peaks in the background. The Aprilia logo is centered in the upper half, with the 'SXRR' model name in a large, bold, red, 3D-style font below it. The slogan 'Every Challenge, Accepted' is positioned directly under the model name. The overall aesthetic is rugged and adventurous. There are several graphic elements: a red horizontal bar at the top left, a large grey 'R' on the right edge, a red vertical bar with a black diagonal line at the bottom right, and a grey vertical bar at the bottom right.
