**HONDA**  
The Power of Dreams

सच कर देंगे सपने

# BE A WING RIDER

## CB UNICORN

Honda is **HONDA**

When joy becomes integral, excellence becomes a habit. That's the philosophy that rides Honda into millions of hearts. The commitment of unbeatable Honda quality builds an enduring relationship right from its making to its ownership experience. Truly the creator's commitment, a seller's delight and a buyer's pride, every beat of a Honda engine brings pure joy to life. Each time, every time.

**Premium Front Cowl**

Chrome finished long front cowl makes it more premium and more graceful.

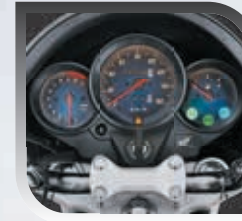

**Voluminous Tank**

The enormous capacity of the tank with aero type fuel cap adds a bold character.

**3D Wing Mark**

The elegant 3D Honda wing mark on the fuel tank amplifies the look and gives it a premium feel.

**Stylish Meter Console**

Merging three circle meter console design with blue illumination enhances the luxury feel.

**Chrome Carburettor Cover**

The shining chrome cover of carburettor adds richness to design.

**Smart Tail Light**

Sharp tail light design completes the smooth flow of design & energy.

**Refined 150cc Engine**

Trusted Honda engine with cutting edge technology ensures smooth power and reliable performance.

**Anti-lock Braking System (ABS)**

Take total control of the road with the efficient and effective braking control on wide variety of riding conditions.

**Long and Comfortable Seat**

Enjoy the ride more with the long and comfortable seat that provides riding comfort for both rider and pillion.

**Mono-Suspension**

Ride with more freedom as you get more stability and comfort on all type of roads and riding conditions.

**Tubeless Tyres**

Tubeless tyres reduce the chance of immediate deflation in case of puncture.

**Seal Chain**

It comes with a seal chain which requires less maintenance and lasts long.

Honda takes forward its philosophy to the next level with the CB Unicorn that prides itself with the perfect blend of quality, comfort & class. It is by far the most sophisticated motorcycle in its category - in looks and in robustness. It is yet another creation of the renowned Honda technology.
