

# NEW HUE

*Edition*

Your tones. Your stories.

CB350 **RS**

Every story you live to tell in this world begins with you.  
So, why not live a story that speaks about who you are?  
Take your CB350RS New Hue Edition through every twist  
and turn of your story, live every moment, and move  
towards a greener future with 2025-ready, OBD-2B norms.

## 7 Y-Shaped Front Alloy Wheel with Coloured Stripes

The wheel of style.

Live every mile of your story with grace and elegance.

## Tuck & Roll Seat

May you find comfort in every story.

These seats are designed with extra comfort and cushioning to make your rides smoother and more comfortable.

## Sporty Grab Rail

Everything sporty.

Even the smallest parts of this motorcycle bring out its sporty nature.

## LED Headlamp and Underseat LED Tail Lamp with Eye-Shaped LED Wipers

Get noticed.

Designed to add class and style to your every move. Looks so cool that you just can't get your eyes off it.

## Headlamp Ring

Add a ring to your story.

This ring headlamp will not only mark your presence on the road but will amp up your style quotient as well.

## ESS (Emergency Stop Signal)

Let there be no brake to your safety.

Honda's emergency stop signal not just keeps you safe, it takes care of fellow riders too.

## Dual Tone Sporty Front and Rear Fender

Feels light, looks sporty from every side.

The sporty rear and front fender makes the motorcycle lighter while maintaining its sporty look.

## Front Fork Boots

Rugged and real.

The fork boots on the front suspension add a rugged look to this modern roadster.

## Dual Channel ABS

Move in control.

Take charge of your story in every scene with the Dual Channel ABS that prevents wheels from locking up when brakes are applied in an emergency or on slippery roads.

## Powerful 350cc Engine

A powerful soul.

Enjoy the power and smooth acceleration at the same time with this mighty 350cc Air cooled, 4-stroke OHC single-cylinder engine from Honda.

## Assist Slipper Clutch

Shift your load.

From brakes to gear shifting — the assist and slipper clutch function will make your ride smooth and tight.

## Roaring Exhaust Note

Roar the roads.

The exhaust system carries a large tailpipe of 45mm to optimize balance with muffler capacity, producing a bold low-pitched sound. Also, the single chamber structure gives sharpness to the sound of the exhaust.

## Hazard Switch

### Switch off hazards.

The hazard switch engages both indicators during emergency stops and low visibility conditions.

## Wider Rear 150/70-17 Pattern Tyre

### For a gripping story.

The wider rear pattern provides a lowered rear stance enabling excellent riding stability on uneven roads and increasing the overall grip.

## Advanced Digital Analogue Meter

### All in one.

The Advanced Digital Analogue meter covers every aspect of your motorcycle. Just a glance will give you all the necessary information such as Honda Selectable Torque Control (HSTC), Dual Channel ABS, side stand indicator, mileage indicators, gear position indicator, battery voltage indicator and distance to empty indicator.

## Engine Start/ Stop Switch

### Switch on your story.

Begin your story with just a flick as the Honda CB350RS is equipped with a start/stop switch for added convenience.

## Honda Selectable Torque Control

### Power meets safety.

This enables the rider to mitigate rear wheel slip by providing the rider with a sense of security while riding in different conditions.
